AMENDED SCHEDULING ORDER

V.

DICKERSON, et al.,

Telephonic Trial Confirmation

earing: January 30, 2008, at 3:00 p.m. in
Courtroom 2 (AWI)

Defendants.

Jury Trial: March 18, 2008, at 8:30 a.m. in Courtroom 2 (AWI)

Plaintiff is a state prisoner proceeding pro se and in forma pauperis in this civil rights action.

pursuant to 42 U.S.C. § 1983. This action is proceeding on plaintiff's amended complaint filed

August 5, 1996, involving allegations that defendant Dickerson was deliberately indifferent to

plaintiff's safety and retaliated against plaintiff by encouraging other inmates to attack plaintiff at

Corcoran State Prison. On March 14, 2007, the Court denied defendant's motion for summary

judgment and on June 14, 2007, the Court denied defendant's motion for reconsideration. On June

18, 2007, the court issued a Second Scheduling Order scheduling a trial confirmation hearing for

October 29, 2007 and a jury trial for December 4, 2007. On July 23, 2007, the Court continued the

1 trial to January 8, 2008. On September 24, 2007, plaintiff filed a request for an extension of time
2 in which to file his pretrial statement. On October 5, 2007, defendant filed a similar request. In light
3 of both parties' requests for an extension of the deadlines in this case, the Court shall issue the
4 following amended scheduling order for this litigation.

5 The parties are required to file pre-trial statements in accordance with the schedule set forth
6 herein. In addition to the matters already required to be addressed in the pre-trial statement in
7 accordance with Local Rule 16-281, plaintiff will be required to make a particularized showing in
8 order to obtain the attendance of witnesses. The procedures and requirements for making such a
9 showing are outlined in detail below. Plaintiff is advised that failure to comply with the procedures
10 set forth below may result in the preclusion of any and all witnesses named in his pre-trial statement.

11 At the trial of this case, plaintiff must be prepared to introduce evidence to prove each of the
12 alleged facts that support the claims raised in the lawsuit. In general, there are two kinds of trial
13 evidence: (1) exhibits and (2) the testimony of witnesses. It is plaintiff's responsibility to produce
14 all of the evidence to prove his case, whether that evidence is in the form of exhibits or witness
15 testimony. If plaintiff wants to call witnesses to testify, he must follow certain procedures to ensure
16 that the witnesses will be at the trial and available to testify.

17 1. Procedures for Obtaining Attendance of Incarcerated Witnesses Who Agree to Testify
18 Voluntarily - An incarcerated witness who agrees voluntarily to attend trial to give testimony
19 cannot come to court unless this court orders the warden or other custodian to permit the witness to
20 be transported to court. This court will not issue such an order unless it is satisfied that: (a) the
21 prospective witness is willing to attend; and (b) the prospective witness has actual knowledge of
22 relevant facts.

23 A party intending to introduce the testimony of incarcerated witnesses who have agreed
24 voluntarily to attend the trial must serve and file concurrent with the pre-trial statement a written
25 motion for a court order requiring that such witnesses be brought to court at the time of trial. The
26 motion must: (1) state the name, address, and prison identification number of each such witness; and
27 (2) be accompanied by declarations showing that each witness is willing to testify and that each
28 witness has actual knowledge of relevant facts. The motion should be entitled "Motion for

1 Attendance of Incarcerated Witnesses.”

2 The willingness of the prospective witness can be shown in one of two ways: (1) the party
3 himself can swear by declaration under penalty of perjury that the prospective witness has informed
4 the party that he or she is willing to testify voluntarily without being subpoenaed, in which
5 declaration the party must state when and where the prospective witness informed the party of this
6 willingness; or (2) the party can serve and file a declaration, signed under penalty of perjury by the
7 prospective witness, in which the witness states that he or she is willing to testify without being
8 subpoenaed.

9 The prospective witness’s actual knowledge of relevant facts can be shown in one of two
10 ways: (1) if the party has actual firsthand knowledge that the prospective witness was an eyewitness
11 or an ear-witness to the relevant facts (i.e., if an incident occurred in plaintiff’s cell and, at the time,
12 plaintiff saw that a cellmate was present and observed the incident, plaintiff may swear to the
13 cellmate’s ability to testify), the party himself can swear by declaration under penalty of perjury that
14 the prospective witness has actual knowledge; or (2) the party can serve and file a declaration signed
15 under penalty of perjury by the prospective witness in which the witness describes the relevant facts
16 to which the prospective witness was an eye- or ear-witness. Whether the declaration is made by
17 the party or by the prospective witness, it must be specific about the incident, when and where it
18 occurred, who was present, and how the prospective witness happened to be in a position to see or
19 to hear what occurred at the time it occurred.

20 The court will review and rule on the motion for attendance of incarcerated witnesses,
21 specifying which prospective witnesses must be brought to court. Subsequently, the court will issue
22 the order necessary to cause the witness’s custodian to bring the witness to court.

23 **Motions for the attendance of incarcerated witnesses, if any, must be filed on or before
24 December 30, 2007. Oppositions, if any, must be filed on or before January 11, 2007.**

25 2. Procedures for Obtaining Attendance of Incarcerated Witnesses Who Refuse to
26 Testify Voluntarily - If a party seeks to obtain the attendance of incarcerated witnesses who refuse
27 to testify voluntarily, the party should submit with his pre-trial statement a motion for the attendance
28 of such witnesses. Such motion should be in the form described above. In addition, the party must

1 indicate in the motion that the incarcerated witnesses are not willing to testify voluntarily.

2 3. Procedures for Obtaining Attendance of Unincarcerated Witnesses Who Agree to
3 Testify Voluntarily - It is the responsibility of the party who has secured an unincarcerated
4 witness's voluntary attendance to notify the witness of the time and date of trial. No action need be
5 sought or obtained from the court.

6 4. Procedures for Obtaining Attendance of Unincarcerated Witnesses Who Refuse to
7 Testify Voluntarily - If a prospective witness is not incarcerated, and he or she refuses to testify
8 voluntarily, the witness must be served with a subpoena. Fed. R. Civ. P. 45. In addition, the party
9 seeking the witness's presence must tender an appropriate sum of money for the witness. Id. In the
10 case of an unincarcerated witness, the appropriate sum of money is the daily witness fee of \$40.00
11 plus the witness's travel expenses. 28 U.S.C. § 1821.

12 If plaintiff wishes to obtain the attendance of one or more unincarcerated witnesses who
13 refuse to testify voluntarily, plaintiff must first notify the court in writing of the name and location
14 of each unincarcerated witness. The court will calculate the travel expense for each unincarcerated
15 witness and notify plaintiff of the amount(s). Plaintiff must then, for each witness, submit a money
16 order made payable to the witness for the full amount of the witness's travel expenses plus the daily
17 witness fee of \$40.00. The subpoena will not be served upon the unincarcerated witness by the
18 United States Marshal unless the money order is tendered to the court. Because no statute authorizes
19 the use of public funds for these expenses in civil cases, the tendering of witness fees and travel
20 expenses is required even if the party was granted leave to proceed in forma pauperis.

21 **If plaintiff wishes to have the Marshal serve any unincarcerated witnesses who refuse**
22 **to testify voluntarily, plaintiff must submit the money orders to the court no later than**
23 **December 30, 2007.** In order to ensure timely submission of the money orders, plaintiff should
24 notify the court of the names and locations of his witnesses, in compliance with step one, as soon
25 as possible.

26 The parties are advised that failure to file pre-trial statements as required by this order may
27 result in the imposition of appropriate sanctions, which may include dismissal of the action or entry
28 of default.

Finally, the court shall direct the Clerk's Office to provide the parties with consent/decline forms. Within thirty days from the date of service of this order, the parties shall inform the court whether they consent to or decline Magistrate Judge jurisdiction by filling out the forms and returning them to the court.

Accordingly, the court HEREBY ORDERS as follows:

1. This matter is set for telephonic trial confirmation hearing before the Honorable
2. Anthony W. Ishii on **January 30, 2008, at 3:00 p.m.** in Courtroom 8;

9. before **December 30, 2007;**
10. Defendants shall serve and file a pretrial statement as described in this order on or

15. and file a motion for attendance of incarcerated witnesses as described in this order
16. on or before **December 30, 2007;**
